Hello David,

I spoke with Jennah and Vela of your staff yesterday afternoon to inform them of reporters requesting to review the RMP file for the Arkema Chemical Facility located in Crosby, TX. You were unavailable at the time. The Arkema file also, includes the Offsite Consequences Analysis (OCA) data. Prior to contacting the reporters to schedule a date and time to visit the EPA Region 6 office, I wanted to let you know of their request. The following names were given to Jennah:

Holly Hacker, Dallas Morning News (Dallas, TX)

Michael Biesecker, Associated Press (Washington, DC)

Emma (?) Texas Tribune (512) 716-8657

Should you have any other questions, please do not hesitate to contact me.

Thanks,
